To the \$PAMP Community,

I'm writing to announce a key development regarding the \$PAMP token and its use of the Bogdanoff name, likeness, voice, persona, trademarks, and other identifying materials (the "**Protected Assets**").

As of January 15th, 2026, I have entered into an agreement with Constantino Heredia, representative of the \$PAMP initiative, granting him an exclusive, limited, and revocable right to use the Protected Assets solely for promoting and developing the \$PAMP token ecosystem.

This right is subject to strict terms, including compliance with all laws and regulations, and preserving the reputation and image of my family's legacy.

The \$PAMP token (Solana address: B2s5k7pK73wYn66icFUnzFos1ZBMHTcjp5M58WP8EVRY) is the only crypto project authorized to use the Bogdanoff Protected Assets in this context. Any other use by third parties is unauthorized by me.

While I am not involved in the technical, strategic, or financial management of the project, I recognize the cultural impact the meme has had and have allowed the Bogdanoff name and image to be used officially and respectfully within the scope outlined in the agreement.

In return, Constantino, acting for the benefit of the \$PAMP project, has committed to honoring the legacy of my father and our family, who deeply appreciated the humor and joy the meme brought to many.

At my discretion, I may contribute to the project in ways that align with its growth and our legacy, including through art, events, or other efforts that foster a positive and respectful connection to the meme.

I thank the community for the continued respect shown toward the legacy of the Bogdanoff name and encourage all of those who want to engage with this project to do it in a spirit of fun, creativity, and responsibility.

Warm regards,

Wenceslas Bogdanoff
